Hard Skill

- **Programming Languages:** Python, JavaScript
- **Tools & Technologies:** Git, GitHub, Agile Methodology, Testing, MS Power Apps, Power Automate, SharePoint, PowerPoint, Forms
- **Web Development:** HTML5, CSS3, Django
- **Databases:** MySQL, SQLite

Soft Skill

- Problem-Solving
- Communication
- Team Collaboration
- Time Management
- Continuous Learning

Education Background

PSGR Krishnammal College For Women

BSc Information Technology

Currently pursuing (2022 - 2025)

CGPA - 9.3

Veveaham Higher Secondary School

HSC

Scored 91% (2021 - 2022)

Veveaham Higher Secondary School

SSLC

scored 87.2% (2018 - 2019)

Certificates

- **Google:** Python advance level
- **NPTEL:** Data Structure and algorithms
- **Coursera:** Python, MySQL database
- **ICT Academy:** Mobile App Development
- **GDC AI Workforce :** Web Development and AI Certification (Currently Persuing)

Achievements

Best Paper Award : Study on

Telecommuting and Remote work

Best performance Award: Department best performance award

Scholarship: Reliance Foundation Undergraduate Scholarship

About Me

Aspiring Full Stack Developer with a solid foundation in HTML, CSS, JavaScript, Python, and MySQL. Eager to develop and utilize skills in crafting dynamic web applications using frameworks such as Django. Dedicated to providing high-quality solutions and staying up-to-date with emerging technologies.

Experience – Internship

Elgi Equipment Limited

(06.05.2024 - 10.08.2024)

Software Associate – Intern (Offline)

- Ensured iterative development and continuous improvement through agile methodology.
- Used GitHub for version control and collaborative coding.
- Facilitated daily scrum meetings to track progress and address any blockers.
- Built responsive designs using HTML, CSS, and JavaScript.
- Conducted testing to ensure the quality and functionality of web applications.

Guru Tech

(01.05.2024 - 01.08.2024)

Full – Stack Developer – Intern (Online)

- Developed responsive designs using HTML, CSS, JavaScript, Python, Django, MySQL, and SQLite.
- Delivered projects on time through effective task prioritization.
- Managed and collaborated with diverse teams.
- Performed testing and debugging to ensure the stability and reliability of the applications.

Projects

- **Digital Twin:** Developed a digital simulation of a compressor controller for training purposes.
- **CRM:** Built a customer relationship management system.
- **Teach and Learn:** Designed an educational platform to facilitate learning.
